

# DJK MARINE TRADING L.L.C

*Bon Voyage*

## ABOUT US

DJK Marine was established in Dubai, UAE by a group of highly experienced marine safety professionals with an audacious goal to become the largest marine equipment manufacturer and distributor in the region for various product verticals in which we operate. We serve one of the busiest shipping routes in the world and a thriving Oil and Gas and Offshore industry. We provide high quality, reliable products under various verticals such as Life Saving Appliances (LSA), Fire Fighting Appliances (FFA), Navigation, Mooring and Anchoring equipment. We manufacture, import, and stock wide range of marine products from trusted Principals worldwide to cater to the demand of local & international vessel owners, vessel managers, offshore operators, shipchangers and various resellers in MENA region. We at DJK Marine believe the customer's requirements takes a front seat in terms of the quality, pricing, & delivery lead time.

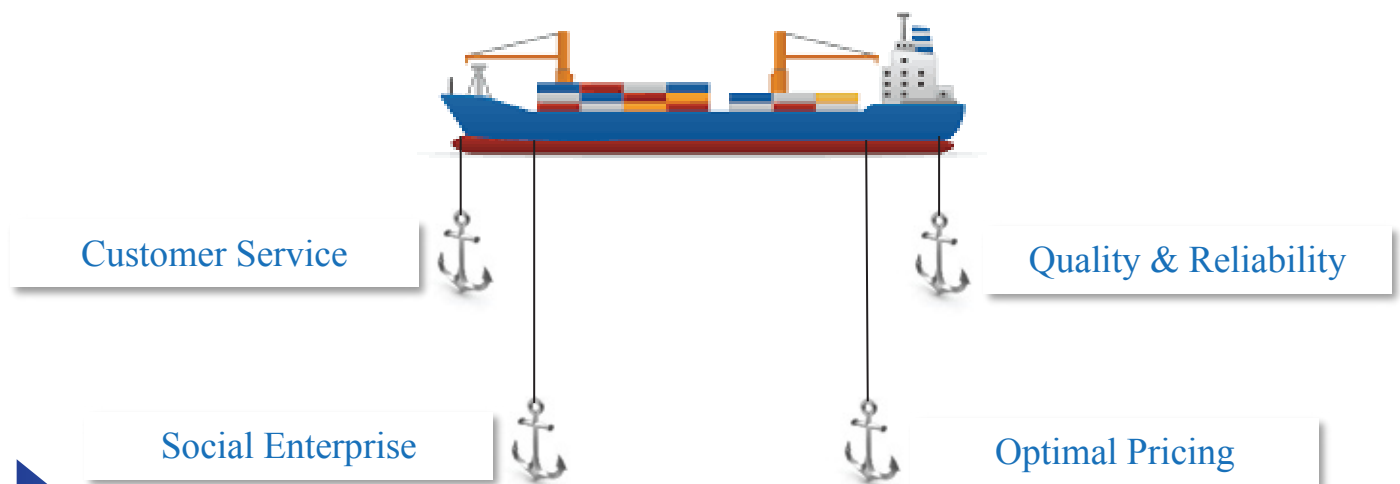

## VISION

DJK Marine aims to be leading player in the marine industry globally with emphasis on integrity, customer-focused approach, & maintaining high level of product quality & reliability. We aim to create value for our customers, employees, shareholders & local communities & environment in which we operate. We have a vision of equitable & inclusive growth through deep understanding of our client & industry requirement. We aim to stay abreast of changes in regulatory & product design changes, and wherever possible lead the change through inhouse R&D & feedback-driven product design and supply.

## MISSION

DJK Marine aims to provide high-quality, reliable, & value driven products to customer base encompassing local & international vessel owners, vessel managers, offshore operators, shipchangers & resellers in MENA region. We manufacture & directly import high volume of products from reputed international manufacturers enabling us to offer cost effective products to our customers. DJK Marine team is highly customer driven with a deep passion to support the customer in every way possible.
